## NOTICE TO REGISTER FOR WORK

If you do not have a waiver or definite return to work date from your last employer that is within 120 days from your last day worked, you must register on the Pure Michigan Talent Connect website to be eligible for unemployment benefits. Please be aware, registration for work is required **anytime** you file a new, additional, or reopened claim, or a claim under a different program such as Extended Benefits.

**To register, you must create your profile on Pure Michigan Talent Connect** on the Internet no later than three business days before your first contact with Michigan's Automated Response Voice Interactive Network (MARVIN) online or MARVIN by telephone to claim benefits. Even if you register for work on the internet, **you must also report in person with this form** to any Michigan Works! Agency (MWA) Service Center no later than three business days **before** your first certification. Call 1-800-285-WORK (9675) to be connected with the MWA nearest to you.

The MWA must stamp this form with a data entry date and return it to you once your profile has been verified. The MWA will notify the Unemployment Insurance Agency that you have registered for work. Keep this form for the duration of your benefit program as proof that you have registered for work. Your benefit payment may be affected, if your registration cannot be proven.

If you have any questions about this form, contact our Inquiry Line at 1-866-500-0017 (TTY customers use 1-866-366-0004).
